

Efficiency[®]

Standard of Technical Superiority

The Efficiency[®] Standard of Technical Superiority establishes minimum values that offer consumers a guarantee for the long-lasting quality of a sofa fabric.

Property	Test method	Units	Performance Efficiency [®]
Resistance to abrasion	EN ISO 12947	Martindale	≥ 30.000
Resistance to pilling	EN ISO 12945/2	Grade 1-5	≥ 4-5
Resistance to seam slippage	EN ISO 13936/2	mm	≤ 3
Resistance to light fastness yarn dyed	EN ISO 105-B02	Grade 1-8	≥ 5-6
Resistance to light fastness piece dyed	EN ISO 105-B02	Grade 1-8	≥ 4-5
Assessment of ignitability / cigarette test	EN 1021-1	Pass or fail	PASS
Dimensional stability to domestic washing	EN ISO 5077	%	≤ 3
Ease of stain removal	FORD BN 112-08/05	Grade 1-5	≥ 4
